Dear Director Paradelo,

Recertification to ISO 9001:2008

After your completion of the reassessment of your Quality Management System, Certification International Philippines, Inc. hereby recertifies the *Department of Science and Technology – Regional Office VII* to ISO 9001:2008. The Certificate is valid from 05 May 2014, with the following scope:

“Provision of science and technology transfer services, science promotion, science and technology information dissemination, and science and technology scholarships.”

Your ISO 9001:2008 Certificate is valid until 15 April 2017, subject to satisfactory results of annual surveillance audits. The further extension of your Certificate after this three-year period will be based on your effective conformity to the requirements of ISO 9001:2008, as determined by a reassessment of your Quality Management System in its entirety. Please see attached surveillance audit schedule.

As a certified organization, you are required to maintain your Quality Management System to ISO 9001:2008 and to comply with CI’s Conditions of Certification, including the use of CI’s Certificate of Registration and Quality Mark in accordance with CI Regulations Part 4 and Part 5 (copy enclosed).

The validation of the consistent implementation and effectiveness of your improvement actions on the non-conformities cited during the reassessment will be carried out on the first surveillance audit.

Congratulations on your accomplishments with the continued use of ISO 9001:2008 as an instrument for enhancing the competitiveness of your organization and for meeting your customers’ needs and expectations. We look forward to a strong partnership that will maximize your organization’s benefits from its certified Quality Management System.

Best wishes for your continued success.

Very truly yours,
