

JUSTIFICATION

The Department of Science and Technology, Regional Office No. VII, for causes beyond its control, was not able to undertake at least 50% of the eligible Procurement Projects based on the agency's Indicative Annual Procurement Plan/s consistent with the National Expenditure Plan for Fiscal Year 2020.

The reason therefor is, among others, the inability of DOST 7 to enter into a new security service contract for 2020-2021 in view of the fact that the contract with the security agency currently serving the office is yet to expire on July 31, 2020 and the competitive bidding for the procurement of said services will be held in May 2020.
